Sanskriti School

September 30, 2022

TRANSCRIPT FOR ADHARSH SATHYAVASAN THIRUNAVUKKAR

Sanskriti School is a private high school in New Delhi, India. We have students in the age group of 3 years to 17 years. Our total strength is approximately 2500 students, of these there are approximately 250 students in the graduating class.

In the academic system that we follow, we do not rank the students. The students usually take a Unit Test once a week and there are term end exams. The academic performance is based on the online assessment.

Following is the final percentage for grade IX (Academic Session: 2021-22):

Subjects	Grade IX
English	61%
Chemistry	61%
Maths	72%
French	89%
Social Science	66%
Science	71%
